Interfaith of Natrona County

Presents our 5th Annual

Community Awareness Fundraiser

Committed to Providing Assistance to Those in Need Since 1984

"A NIGHT IN THE COLD"

Saturday Night, **October 20st** 2018

Casper City Park 6pm to 7am

****Attention ALL *Middle* and *High School* students**** *Interfaith invites you to take part in a memorable experience!* Students will participate in poverty simulations and learn what it's like to be homeless; including sleeping in City Park. **Don't worry, all students will be fed dinner, snacks & breakfast***! Grace Reformed Church (next to the park) provides a warming facility should the weather become too cold or wet.*

Fun Times!

Students are asked to seek sponsors for spending the night in the cold; like family, friends and local merchants.

Prizes will be awarded for the top 3 students who get the most sponsors!

Plus, additional door prizes will be awarded after the simulations!

Join Interfaith's staff & volunteers to help raise awareness in Natrona County about our *homeless population and those living at or below the poverty level*. And raise much needed funds to help Interfaith continue to provide *emergency services* to individuals & families who struggle in our community.

Every student who turns in a sponsor packet & stays through the night gets a *Glow in the Dark* t-shirt "I survived a Night in the Cold"

"Everyone deserves a safe place to call home"
